'Riders win the Grey Cup !!!

OK, I made this same prediction last year with results that none of us wish to recall. But *this* year I just know I'm right!

Kudo's to the boys for winning the West.

My game balls go to Jerrell Freeman and Wes Cates. Both played great games away from the spotlight and came up big when called on.

'Tis the Charitable Season

\$250,000!!

We recently hit a milestone that we're quite proud of and I wanted to share the news. As I'm sure you know, Beer Bros. serves as a sponsor and/or contributor to a variety of local charities. Some of the big ones we do are the Drop Zone for Easter Seals, our Soup Duel for the Z99 Radiothon in support of the Neo-Natal ICU, and the Plywood Cup for the Canadian Progress Club. We support many other charitable events as well, like the Alzheimer's Association, Craven Ladies Night for a new local fire truck, the Children's Hospital Foundation, the Rotary Club's Palliative Care Gala, Grandmothers for Grandmothers, United Way, JBF's Breast Cancer Golf Tournament, the Golf Fore the Cure tournament, and many, many more. I'm always grateful when we find out how these events fared in terms of raising money for good causes. In the two and a half years since we opened, we've played a part in raising over a quarter of a million dollars for these charities. Thank you to all the volunteers for your selfless work, and also for thinking of us when you've looked for help. We'll be here when you need us.
